Become a patron of the Indian Music Experience

Without an institution to preserve and propagate music traditions, they are at risk of being lost forever. The museum exhibits and archives are continuing to grow and expand. Our educational programs impact the lives of thousands of school children. The IME hosts a wide variety of public programs including concerts, music appreciation courses, seminars and music classes. All this requires the sustained financial support of patrons.

Your donation will ensure that the IME remains an institution of lasting significance.
