Why Field Trips to Museums?

Excellent opportunity to

- observe
- analyze
- develop love for history
- promote hands-on learning
- spark creativity
- interactive student engagement

What more?

In-person workshops at schools:
The World of Musical Instruments - Science, Stories and Stars.

In this illustrated session the curatorial team of the Indian Music Experience Museum explores three distinct facets of musical instruments: the science of sound production and the classification of musical instruments; the stories of how instruments have evolved over time in response to a variety of factors; and the special relationship that stars of music share with their instruments.

Age-Appropriate Guided Field Trips

- **Kindergarten**
 - Duration -1.5 hours
- **Grades 1-5**
 - Duration - 2 hours
- **Grades 6-10**
 - Duration - 2 hours
